

Lokaspar a Dance Projects presents *Bone Chorus* a benefit for Circle of Friends for the Dying

BONE CHORUS

Sunday, November 5th, 7:00 - 10 PM

Kleinert/James Art Center

34 Tinker St., Woodstock

Event tickets: www.lokasparsadance.org

Bone Chorus shakes out ideas about our mortality to expose what sifts down into raw experience. The choral soundscape and live vocals set the stage for moving explorations of community, solitude, commitment, joy, and the many faces of loss. Audiences at past performances described *Bone Chorus* as intense, sobering, emotionally powerful, and simply beautiful.

Tickets will be available at \$25, \$50 and \$100 levels. Net proceeds benefit Circle of Friends for the Dying.
